The **School Board** of an Independent Public School plays an important role in establishing the school's strategic direction and monitoring its progress towards agreed performance targets. The Board is governed by its [Terms of Reference](#) and members abide by the [Code of Conduct](#).

We are seeking a **NEW PARENT REPRESENTATIVE** to complement our current Board members' skills in education and management. Desirable skills include, but are not limited to, communications, public relations, marketing, finance, and community relations.

This is a great opportunity to become involved in your child/ren's school, working to provide better outcomes for the students whilst engaging with the community.
