School**

Marri Grove Primary School is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.

Lots of kids are walking, riding and scootering to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!

"I like to ride my bike to school because I'm learning to ride and it's a lot of fun." **Student**

"I ride to school because it keeps me active and fit. Also when I ride to school I am out in nature and get fresh air." **Student**
