MARRI GROVE PRIMARY SCHOOL

Voluntary Contributions and Charges 2027

Parent support is crucial in ensuring quality programmes are available to our students. Our Vision Statement states 'Our Children… Our Future' this means that there is a shared responsibility for student growth and development. One very important way you can take shared responsibility is to assist the school in providing the much needed resources that supports your child's learning.

School Voluntary Contributions – in line with the School Education Regulations 2000

The Marri Grove Primary School - School Board has endorsed the schedule of Contributions and Charges for 2027. The schedule will allow you to consider possible costs for 2027.

The total amount of contributions parents and carers are being asked to pay has been contained within the $60.00 maximum set in the School Education Regulations 2000, as well as $20 per family for P&C Contributions.
